

## Mención especial

**We also want to present a special mention  
to the Italian short film Let's talk about it,**

made by the students of classes 2 and 3A\*  
of the Trento 5 institute.

- It seem to me that we live all  
under the same sky...

We want to reward not only the work  
of such young filmmakers,

Festival de Cine Raíces de Europa. Día 5: Entrega de premios y clausura.

but also their teacher Vittorio Caratozzolo

(REIFF/2021)

- Right, the **E**arth is **o**ne, it's better  
if we reach an agreement.

for bringing children closer to a medium of great  
strength today, such as the cinema,

**IN PEACE!**

and for awakening in them new forms  
of narration and inviting them to creativity.
