Greetings from the Public Inquiries Team,

On behalf of the Secretary-General, thank you for your email and for sharing your YouTube clip entitled “Tyrannosaurus Blues.”

The Secretary-General regrets that his official duties prevent him from thanking you all with a personal letter. The Secretary-General remains deeply committed to his efforts to establish and maintain world peace, a goal made that much easier, thanks to the support of individuals like all of you. On his behalf, we wish to express appreciation for your interest in the work and goals of the Organisation, and for taking the initiative of writing to us.

Once again, thank you for your letters, thank you for your commitment and efforts to educate yourselves about the work of the United Nations, and for taking the initiative of writing to us.

Best regards,

Public Inquiries Team
